

## FAYETTEVILLE STATE UNIVERSITY

### 1. General Statement of Educational Mission

Fayetteville State University is a public comprehensive university, offering degrees at the baccalaureate, master's and doctoral levels. The primary mission of Fayetteville State University is to provide quality education to its students through a basic liberal arts foundation, specialized professional training, and specific graduate programs. Committed to excellence in teaching, research, and service to the community, the university seeks to prepare its students and graduates to lead meaningful and productive lives. In doing so, Fayetteville State University strives to produce creative thinkers and leaders who will reach beyond current intellectual and cultural boundaries to become the change agents for shaping the future of America and the world.

As part of its broader mission, the university extends its services as a regional institution by providing life-long learning experiences and opportunities to the University's immediate and extended communities and serving as a resource for business, education, and culture in North Carolina.
